Dear Class of 1975,

Can you believe that it has been almost 35 years since we left Randolph-Macon College? We hope you have received a Reunion Weekend save-the-date postcard and magnet, but if you have not please mark October 22-24, 2010, on your calendar and make plans to attend. We will be in touch as details are confirmed and plans unfold for what will be a memorable weekend.

In addition to the special reunion events such as the Friday night Homecoming Cocktail Celebration, Saturday tailgating, and the football game, as a class we will have the opportunity to honor this milestone and Randolph-Macon with a special reunion gift.

Our reunion gift will be the collective sum of all of our classmates' contributions for any purpose from July 1, 2009 through October 20, 2010. To those of you who have already made your gift, thank you!

Our class has set a goal of raising $75,000 for our class gift. Participation is equally important, and we are striving to reach over 50% participation from our class. Most of our gift support this year will benefit students with financial need.

You may add to our totals by making a multi-year gift. If you pledge now and pay over a period of time, the entire multi-year pledge counts towards our class total. You can make your commitment to our class gift on-line at www.rmc.edu/givenow or by returning the enclosed pledge card. We look forward to re-connecting with each of you in the coming months.

Warmly,

Class of 1975 Reunion Committee

P.S. Soon the Class of 1975 Reunion Website will go live. We've selected a few photos from our yearbook. We invite anyone to submit other respectable photos for inclusions.
