Billing Calculation Worksheet – New Students
2013-2014

This worksheet is to help you estimate your balance each term, for planning purposes, before the Treasurer's Office sends the billing statements. Please use the **College Fee Information Sheet**.

	Fall/January Term	***Spring Term***	***Total***
1. Charges			
Tuition			
Mandatory Fees			
Contingency Deposit			
Matriculation Fee			
Room			
Board (meals)			
Key Deposit			
Other			
A. TOTALS			
2. Financial Aid Awards			
Scholarships/Grants			
Direct Student loans			
Perkins loan			
External Scholarships/Grants (You must notify the Financial Aid Office. These awards may change your award package)			
B. TOTALS			
3. Your Estimated Balance (A minus B)	(*Due August 7)*	(*Due January 8)*	

Please note that the balance due to the College does not include books, personal expenses and transportation. You must bring money to buy your books at the start of each term.

Additional Financing Options

The following options are available to assist you in paying your balance:

1. ***Tuition Pay Monthly Payment Plan***. This convenient plan enables families to pay their annual tuition costs in installments not to exceed ten months **with no interest charge**. It is further evidence of our commitment to helping families finance a Randolph-Macon education. You may sign up for this plan on-line at Sallie Mae Tuition Payment Plan.

.

2. Additional loan options are available through private lenders. Please visit our webpage for information on private loans that you may wish to consider. You are free to contact the lender of your choice.

To be considered for financial aid of all types, you must file the 2013-2014 Free Application for Federal Student Aid (FAFSA). If you haven't yet filed, we urge you to do so as soon as possible. Note: Our FAFSA school code number is **003733**.
