Ashland, Virginia

Office of Campus Safety

October, 2009

Dear Faculty, Staff, and Students:

Safety and security at Randolph-Macon College is a shared responsibility. Clearly, the best protection against campus crime is an aware, informed, and alert campus community!

The vast majority of our students, faculty, staff and visitors do not experience crime at Randolph-Macon College. However, crime sometimes occurs despite our best efforts in Campus Safety and yours.

You will find the statistical data for the past 3 years on our web site at: <http://www.rmc.edu/Offices/campus-safety/crimestats.aspx>. This information is provided because of our commitment to campus safety and security and in compliance with the Federal Campus Security Act of 1990, the 1998 Amendments of this Act and The Campus Sex Crime Prevention Act, and the 2008 Amendments As Adopted in the "Higher Education Opportunity Act" (Public Law 110-315) Enacted into Law August 14, 2008. Questions or comments about the requirements of federal or state law or Randolph-Macon's compliance with these laws should be directed to Kathryn A. Hull, Sr. Associate Dean of Students, and Campus Security Survey Administrator at 804-752-4710 or dial ext. 4710 on campus.

Respectfully,

Kathryn A. Hull, Senior Associate Dean of Students

Randolph-Macon College

Annual Security Report
2009

Policy on Reporting the Annual Disclosure of Crime Statistics

In 1990 Congress authorized the Crime Awareness and Campus Security Act (Title II of Public Law 101-542) amending the Higher education Act (HEA) of 1965. This act required all postsecondary institutions participating in the Title IV student financial aid programs to disclose campus crime statistics and security information. The act was amended in 1992, 1998, 2000, and 2008. The 1998 amendment renamed the law the “Jeanne Clery disclosure of Campus Security Policy and Campus Crime Statistics act” in memory of a student who was slain in her dorm room in 1986.

Campus Safety prepares the Annual Security Report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. This publication is posted on Randolph-Macon College’s Web. We notify all students, staff, and faculty of the Web site via e-mail, as well as through informational postings within the campus. You can obtain this report online at the following Web address.

<http://www.rmc.edu/directory/offices/campussafety/crimestats.asp>.

All current or prospective faculty, staff, and students can obtain a paper copy by calling 804-752-4710 or by visiting Human Resources or Campus Safety on campus or by writing to:

Office of Campus Safety
Randolph-Macon College
203 Caroline St.
Ashland, VA 23005
804-752-4710

Campus Safety works with several college offices, such as the Office of the Dean of Students, Office of Residence Life and Housing, Office of Judicial Affairs, and Athletic Administrators to compile the information in this report.

Campus crime, arrest and referral statistics include those incidents reported to the Office of Campus Safety, designated campus officials (including but not limited to directors, deans, and department heads, designated residential staff, athletic administrators), and the Ashland Police Department.

Safety and Security in the Residence Halls, Access, and Maintenance

The Randolph-Macon College residence halls are made up of two campus complexes which include townhouse apartments and special interest houses. The Northern Residential Complex includes seven single story buildings and four townhouse apartment buildings. The Southern Residential Complex includes high-rise residence complexes and residential houses. All of these facilities provide on campus housing for approximately 942 students.

Security safeguards within the residence halls include restricted card access and external door prop alarms. The card access system restricts entry in residence halls by identification cards. Access to college housing facilities is limited to residents, escorted guests and college staff. Entry is monitored on a 24- hour basis through card access system, conventional keys, patrol officers, and Residence Life personnel.

Professional Residence Hall staff and student Resident Assistants, who are all members of the college Residence Life and Housing staff, live on campus and provide 24- hour staff coverage. Student room doors should be locked at all times even when occupied. Residents with automobiles may park their vehicles in any student lot, after purchasing an annual student decal. Residents are reminded to share the responsibility for safety and security by becoming familiar with their surroundings, and by reporting suspicious activity to the Office of Campus Safety or Residence Life staff.

Campus Safety and Residence Life staff members patrol the halls and undergo comprehensive training each year, learning to prevent and respond to safety and security issues. Both student and professional staff participate in lectures, joint training sessions and seminars such as substance abuse, prevention of sexual assault, and community security. Crime prevention programs include orientation workshops, residential hall meetings, educational programs and other safety and security related programs put on by Campus Safety throughout the year.

Emergency Call boxes are on campus outside all residence halls and at strategic spots throughout campus. These boxes are used for emergency assistance and general assistance from College personnel. A caller can push the button on the call box, which allows immediate contact with Campus Safety personnel.

Campus Safety Authority

We are Department of Criminal Justice Services State certified Safety Officers. We take responsibility to protect the faculty, staff, alumni, students, and visitors of Randolph-Macon College, in addition to facilities, equipment and campus grounds. The campus is monitored and patrolled 24 hours a day by safety personnel on foot, vehicle and/or a bicycle. Safety personnel are equipped and trained in the use of portable radios, OC spray, and handcuffs.

Campus Safety Officers are trained in mediation and conflict resolution to reduce conflict within the college community. In addition to the myriad of security and safety related functions, we manage the campus parking program, produce student ID cards, conduct patrols 24 hours per day, monitor our electronic door access system and multiple CCTV cameras.

Major offenses such as sexual assault, murder, aggravated assault, robbery, arson, felony larceny, and auto theft are reported to the local police for investigation and resolution. The prosecution of all criminal offenses, both felony and misdemeanor, are conducted at the District Court of Hanover County, Virginia.

Campus Safety personnel work closely with local police and have direct radio communication with the Ashland Police Department on the R-MC Operations network. The Randolph-Macon College Office of Campus Safety is also part of the Hanover County radio system. Communication capability with Ashland Police Department is also available via high band portable radio units.

Through coordination with local law enforcement agencies, any criminal activity engaged in by students at off-campus locations is reported to the Office of Campus Safety and/or the Dean of Students office for any action or follow-up that may be required. The Office of Campus Safety is located at 203 Caroline Street and is staffed 24 hours a day. You may contact us at 804-752-4710, or on-campus ext. 4710. Campus security is the primary responsibility of the Office of Campus Safety, administered by the Sr. Associate Dean of Students.

Memorandum of Understanding: Randolph-Macon College has a Memorandum of Understanding with the Ashland Police Department. This M.O.U., enables the Ashland Police Department to maintain constant radio monitoring of the Randolph-Macon College radio frequency.

How to Report a Crime or an Emergency

Community members, students, faculty, staff, and guests are encouraged to report all crimes and safety and security related incidents to the Randolph-Macon College Office of Campus Safety or the local police in a timely manner.

To report a crime or an emergency on campus dial 9-911 or dial "0" for Campus Safety. For non-emergency related issues dial 4710 or "0" on campus – off-campus dial 804-752-4710.

Communication Officers are available at these respective telephone numbers 24 hours a day to answer your call. In response to a call, your safety staff will take the required action, dispatching an officer to file a report. If assistance is required from the Ashland Police Department or another local agency, the Office of Campus Safety will contact the appropriate unit.

Reports of sexual misconduct are given serious attention. Victims are offered an array of immediate medical, psychological, police, and administrative services, as well as peer support. Reports of sexual assault can be submitted several ways to the Sexual Assault Response Coordinator:

- Victims or witnesses can alert the Sexual Assault Response Coordinator in person at The Office of Campus Safety, located at 203 Caroline St., or via phone at 752-7374; extension 7374 for confidential voicemail.
- A Sexual Misconduct and Sexual Assault Report Form is available on line at <http://www.rmc.edu/directory/offices/counseling/sexualassaultinfo.asp>. Submitted forms are sent anonymously to the Sexual Assault Response Coordinator.

The Annual Security Report contains information about on-campus and off-campus resources. Information is made available to Randolph Macon community members, with specific information about available resources, in the event that they become the victim of a crime. Keep in mind that not all resources are "reporting entities" for Randolph-Macon College.

Crimes should be reported to the Office of Campus Safety or the local police to ensure inclusion in the annual crime statistics and to aid in providing a timely warning to the community, when appropriate. A crime that is reported only to pastoral counselors or professional counselors will not appear in the crime statistics.

List of Officials with Significant Responsibility for Student and Campus Activities

Although we encourage the reporting of campus criminal activity directly to the Office of Campus Safety or the local police agency, in some instances members of the campus community may choose to file a report with one of the other campus security authorities. Crime statistics are continually gathered from Campus Security Authorities via online reporting utilizing an electronic web form. Any reportable crime made to a Campus Security Authority can be immediately transmitted to the Office of Campus Safety via the Internet, fax machine or campus mail. For reporting purposes, Randolph-Macon College Campus Security Authorities have been designated as:

Randolph-Macon College Office of Campus Safety
Provost of Randolph-Macon College
Dean of Students
Director of Residence Life & Housing and Judicial Affairs
Sr. Director of Student Life
Director of Student Life
Director of Athletics
Director of the Student Health Center
Director of Greek Life
Sexual Assault Response Coordinator

The Randolph-Macon College pastoral and professional counselors are encouraged to tell clients about the reporting procedures outlined in this document. Confidential reports and anonymous reports are extremely valuable for preventing further victimizations and for obtaining a more accurate portrait of Randolph-Macon College campus crime.

In certain instances, a crime victim may be reluctant to file a report for fear of the process and/or loss of his/her anonymity. In such circumstances, crime victims are encouraged to consider making a confidential report to one of the designated campus security authorities. At a minimum, crime victims will receive valuable counseling and referral information. Confidential reports are important because they provide valuable information which enhances the safety of the community-at-large.

Timely Warnings

In the event that a situation arises either on or off-campus, in the judgment of the Emergency Response Team that constitutes an immediate threat or dangerous situation to the health or safety of our campus community, a campus wide “timely warning” will be issued. The warning will be issued through the college e-mail system, text messaging system and voice mail system to students, faculty, and staff. Anyone with information warranting a timely warning should report the circumstances to the Office of Campus Safety by phone 804-752-4710, local police 798-1227, or in person at the Communication Center within the Campus Safety office located at 203 Caroline Street behind the Cobb Theater.

Confidential Reporting

If you are a victim of a crime and do not want to pursue action within the College system or the criminal justice system, you may still want to consider making a confidential report. With your permission, Campus Safety personnel can file a report on the details of the incident without revealing your identity. The purpose of the confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the college can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

You can report crimes anonymously via our Campus Safety web page:

<http://www.rmc.edu/community/forms/crimestoppers.asp>

<http://www.rmc.edu/directory/offices/counseling/sexualassaultform.asp>.

Prompt Reporting and Pastoral Counselor Reporting Procedures

Randolph Macon Community members are strongly encouraged to report criminal activity and suspicious person(s) to the Office of Campus Safety or the local police department. Incidents that may or may not be crimes can also be reported to campus security authorities such as employees of the Campus Safety Office, persons responsible for controlling access to buildings or facilities, and officials with significant responsibility for students or campus activities (a list of designated authorities are included in the booklet). Licensed counselors (including certified sexual assault victim counselors) and campus clergy (pastoral counselors) are exempt from reporting requirements. Randolph Macon College encourages counselors and clergy, when appropriate, to inform those that they counsel, of the procedures for reporting crimes, voluntarily and confidentially, for inclusion in the Campus Security Report.

Enhancing Collaborative, Collective Responsibility and Crime Prevention Programs

Students are informed during orientation sessions about safety and security procedures and practices at the beginning of each academic year. There is also a joint training session with safety officers and resident assistants that includes crime-prevention and security information. This program describes the security resources available, including a description of the security personnel, their equipment, crime reporting procedures and use of security phones. In addition, students are informed that safety officers and resident assistants are required to report crime situations that might arise on campus.

Throughout all orientation programs and residence hall programs, a common theme is stressed: **safety and security is a shared responsibility of each member of the college community.** Individuals are encouraged to participate by reporting any unusual or suspicious person(s) or circumstances promptly to the Office of Campus Safety or Ashland Police Department.

Personal and fire safety programs are offered in residence halls as well as at other locations on campus. One successful program that encourages students to participate in their own personal safety is “Spring into Safety”. With this program, professional members of the community are invited to speak to students regarding issues of personal safety, on and off campus. In addition to Campus Safety Officers, Resident Assistants patrol the residence halls during nighttime hours. RA’s are equipped with portable radios to communicate with Campus Safety. RA’s work in pairs and act as extra eyes and ears during patrol activities.

Policy Statement on Off-Campus Behavior

When a Randolph Macon College student is involved in an off-campus offense, the College reserves the right to impose sanctions for behavior that is in violation of the Code of Student Conduct (*FishTales*). If a student is charged with or convicted of a violation of law off-campus, the College may determine that its own interests and welfare, as an academic community, is affected and it may impose disciplinary sanctions.

The Ashland Police Department routinely works and communicates with campus officers on any serious incidents occurring on campus or in the immediate neighborhood and business areas surrounding campus. Randolph-Macon College does not operate off-campus housing or off-campus student organization facilities. However, senior students may receive an off-campus waiver, which allows them to live in neighborhoods surrounding Randolph-Macon College. The Ashland Police Department has primary jurisdiction in all areas off campus. Ashland Police Officers patrol and keep record of criminal activity that students engage in at off-campus locations, including locations used by student organizations officially recognized by the College.

Policy on Alcoholic Beverages

Randolph-Macon College students are subject to the drinking laws of the Commonwealth of Virginia and are legally accountable for their individual actions. Students are simultaneously responsible to the College policy on the consumption and presence of alcohol. Moreover, the College will not condone inappropriate social behavior resulting from the use of alcohol. A student's behavior will not be excused or overlooked because of alcohol, nor will penalties imposed for the violation of College policies or regulations be mitigated because alcohol was involved in the misconduct. Students or student groups violating the law or exhibiting inappropriate social behavior will be referred to the appropriate disciplinary group for action.

Alcohol is not be served at any College-sponsored events (office, departmental, student organization, etc.) where underage students are present unless it is an approved 3rd party vendor or a BYOB event, following all R-MC, Commonwealth of Virginia, and ABC laws.

The College expects members of the Randolph-Macon College community to adhere to the use of alcoholic beverages in a responsible manner. Students are to understand their responsibility in:

1. Knowing and abiding by Virginia law and College policy.
2. Becoming informed about the complexities and the risks, both personal and social, associated with the use of alcohol, including knowing the liability that a host organization incurs when serving alcohol.
3. Recognizing and accepting as legitimate and appropriate, a decision not to use alcoholic beverages, whether as a matter of principle or convenience, and respecting the rights of non-users by providing suitable and appealing non-alcoholic beverages.
4. Being sensitive to the needs of persons who experience problems as a result of irresponsible use of alcoholic beverages, by encouraging moderation, helping persons to contact appropriate sources of assistance for alcohol-related problems, or supporting them in a decision to refrain from alcohol use.
5. Discouraging persons from driving motor vehicles or otherwise endangering themselves and others after they have been drinking.

Policy Statement on Illegal Drugs

As required by law, the following policy statement is revised and re-circulated to the student body each year. Under Presidential directive, this has been done since January 6, 1982.

Randolph-Macon College believes that the abuse of drugs by students is inconsistent with its educational objectives and may violate the rights of other students. Accordingly, the College strongly condemns the abuse of drugs on campus. The College commits itself to an educational program concerning the use and abuse of drugs and offers counseling for students who may have drug-related problems.

Because the abuse of drugs on campus may involve the use of illegal drugs, the following rules and procedures have been established:

1. The College's Code of Student Conduct prohibits the use of illegal drugs anywhere on campus. Students are responsible for their own actions as well as the actions of their guests.
2. Students should be aware that Campus Safety, Resident Assistants, and other College officials are required to report to the Dean of Students Office or to the Judicial Board Chair when they have knowledge of illegal drug use. The Sr. Associate Dean of Students and the Judicial Board Chair will confer to determine the appropriate course of action.
3. Students found guilty of violating the regulations pertaining to drug use on campus will be subject to disciplinary action under the Code of Student Conduct and the Housing Contract.
4. Students are reminded of the housing agreement provision that "R-MC reserves the right to cancel your room assignment in the interest of order, health, discipline or other urgent reasons." The College Administration may take this action with or without the recommendation of the Judicial Board.
5. Students should know that the College is required under the laws of the Commonwealth to report drug violations, which may constitute felonies to the Commonwealth Attorney's Office. The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal law.

The Office of Campus Safety strictly enforces such laws. Violators are subject to College disciplinary actions, criminal prosecution, fine and imprisonment.

Alcohol and Drug Abuse Prevention Policy Statement

The purpose of this policy is to provide Randolph-Macon College students, faculty, and employees with a safe, drug-free workplace and a lawful alcohol-use environment and to promote high standards of student and employee health; to carry out the College's mission of educating its students; and to comply with the Drug-free Workplace Act of 1988 and the Drug free Schools and Communities Act Amendment of 1989.

Students, employees, and faculty are the College's most valuable resources, and for that reason, their health and safety are of paramount concern. The illegal manufacture, distribution, dispensation, possession, or use of narcotics, drugs, or controlled substances on campus will result in disciplinary action up to and including dismissal. In addition, the unauthorized use of alcohol on the job will result in disciplinary action up to and including dismissal. Employees shall be informed of the preceding statement, and, as a condition of employment, shall agree to notify the Treasurer's Office of any criminal drug Statute conviction for a violation occurring in the workplace no later than 5 days after such a conviction. The College will notify the appropriate federal agency within 10 days after receipt of such notice of conviction. For employees who are engaged in work, partially or fully supported by federal grants, the College must notify the appropriate federal funding agency within 10 days after receipt of such notice of conviction.

The illegal manufacture, distribution, dispensation, possession or use of narcotics, drugs, controlled substances, or alcohol which impairs or may impair an employee's work performance or which has or may have a detrimental impact on the College's functions, off-duty and off Campus premises, is prohibited. Violation of the College policy will be cause for disciplinary action up to and including dismissal. Law enforcement officials may be notified whenever illegal drugs are found. Information concerning counseling programs offered through the Community Services Board of Hanover County and independent counseling services will be provided through the College's Counseling Center.

Sexual Assault Prevention and Response

Sexual assault is a serious issue, and it is a crime. Sexual assault occurs on our campus and we want to encourage Randolph-Macon students, who believe they have been sexually assaulted, to report the assault to the local authorities and to campus authorities (Ashland Police 798-1227; R-MC Campus Safety 752-4710 or Ext. 4710). The local authorities can investigate and prosecute in order to help victims. They can also direct victims to appropriate resources. Campus Safety can advise victims about the College's internal judicial procedures as well as assist in referrals to the local police.

Members of the R-MC Counseling Center staff are available as sexual assault "**responders.**" As responders, counselors are available to assist students in need, and to direct students to the appropriate local resources. **The survivor's identity will be kept confidential.** When there is an ongoing threat to the community, the incident may be discussed with other administrators without identifying information, and a warning, without identifying information, may be sent out to the community at large. Please contact the Counseling Center at 752-7270 if you have a need for assistance, or if you have questions or concerns with regard to sexual assault. If there is an after hours emergency, please call Campus Safety at Ext. 4710 and ask to speak with the Director of Counseling Services, or Dean of Students, or use the 24 hour hotline services of Hanover Safe Place by calling 752-2702.

Advocates at **Hanover Safe Place** (752-2702) can help victims connect with the appropriate legal authorities, as well as other appropriate support services. The **Macon-Peer Responders (MPR)** is another resource. MPR's are fellow R-MC students who have been trained in sexual assault prevention and are the allies of assault victims. For contact information, please call the MPR Advisor at 752-3205.

Macon Peer Responders (MPR), along with other campus responders, encourage students who have been assaulted, or were witness to an assault, to file a **Sexual Misconduct and Sexual Assault Report Form** at <http://www.rmc.edu/directory/offices/counseling/sexualassaultinfo.asp>.

Reporting can help the R-MC community identify patterns of assault on campus and help make informed interventions on campus. These report forms can be completed and submitted online (using Sexual Misconduct/Assault Report Form link above) or in person. They can be completed anonymously, if that is the preference.

Multiple resources are listed to afford students the option of using the most appropriate resource, based upon particular needs and comfort.

Sexual Offender Registration

The "Campus Sex Crimes Prevention Act" is a federal law enacted on October 28, 2000 that provides for the tracking of convicted, registered sex offenders, enrolled as students at institutions of higher education, or working or volunteering on campus. This act amends the Family Educational Rights and Privacy Act of 1974 to clarify that nothing in that Act may be construed to prohibit an educational institution from disclosing information concerning registered sex offenders. It requires the Secretary of Education to take appropriate steps to notify educational institutions that disclosure of this information is permitted.

Information about registered sex offenders may be found on the Virginia State Police web page at <http://sex-offender.vsp.state.va.us/cool-ICE/>. Randolph Macon College is located in the Town of Ashland in Hanover County, Virginia and the zip code is 23005.

Clery Act reporting DOES NOT require disclosure of all other sexual related offenses, for example, sexual harassment, voyeurism and indecent exposure. Institutions may report these offenses separately, if they choose.

Hate Crimes

The Clery Act requires institutions to separately report all Hate Crimes statistics on any of the previously mentioned offenses or any crime involving bodily injury reported to local police agencies or to a campus security authority, that manifest evidence that the victim was intentionally selected because of the perpetrator's bias or the perpetrator perceived the person to be in one of the protected group categories.

There are six types of bias categories: Race, Gender, Religion, Sexual Orientation, Ethnicity and Disability. FBI UCR Hate Crime Data Collection Guidelines and Training Guide are to be used for Hate Crime Data Collection.

As of August 14, 2008 the Clery Act was amended to include NEW REPORTABLE HATE CRIMES. These crimes are:

- larceny-theft*
- simple assault*
- intimidation*
- destruction, damage, or vandalism of property*
-

These new reporting categories ARE ONLY REPORTED IF MOTIVATED BY BIAS AS DETERMINED BY ONE OF THE SIX BIAS CATEGORIES (race, gender, religion, sexual orientation, ethnicity/national origin and disability). THEY ARE NOT REPORTED UNDER THE GENERAL CLERY ACT CRIME STATISTICS.

Randolph-Macon College does not condone hate violence and is charged with ensuring that the rights guaranteed by state law and the U.S. Constitution are protected for all people regardless of their ethnicity, race, national origin, religion, sex, sexual orientation, disability, or political/religious beliefs.
