 - Mathematics (Excluding Statistics)
 - Natural Sciences w/ Lab
 - Mathematic or Computer Science w/Lab
 - Natural, Mathematic, or Computer Science without Lab
- Social Science
- Foreign Language
- Wellness Activity Course

6b. Area of Knowledge requests

For courses satisfying Areas of Knowledge requirements, please explain how this course will meet the criteria of the area(s) you have designated. Consult the criteria posted by area on the web to complete this section. [Goal and Criteria Statements by Area](#)

List the general education requirement(s) and secure the appropriate department chair/program director's signature:

Requirement: _____	Signature: _____
Requirement: _____	Signature: _____
Requirement: _____	Signature: _____

6c. Cross-area requests

For courses satisfying Cross-Area requirements, consult the descriptions of these requirements on the web to ensure that your course meets the criteria. Include a statement indicating how your course meets the criteria for each cross-area requirement requested. [Cross-Area Requirements Description](#)

Major and Minor Credit for FYC Courses

Identify the goals of the majors and minors that this course will meet and briefly describe the kinds of activities, exercises, experiences, other course work, etc. that will be used to meet them. Consult the department chair or program director for the goals of the major and minor.

Note : If your FYC is interleaved (both sections receiving instruction from both instructors each semester) and it carries major/minor credit in at least one discipline, please work with the appropriate department chair(s) or program director(s) to decide how the awarding of major/minor credit is to be determined. That is, which FYC final grade(s), Fall or Spring or both, will be used in determining whether a student has earned the requisite C- or better to achieve the major or minor credit? If this has already been decided, please indicate the criterion here.

List the majors and minors the proposed course will count in and secure the appropriate department chair/program director's signature(s):

Major: _____

Signature: _____

Major: _____

Signature: _____

Minor: _____

Signature: _____

Minor: _____

Signature: _____
