Panhellenic Council Recruitment Regulations

1. In light of the policy that states freshmen are not permitted in Greek houses during the fall term; chapters may register no more than five (5) recruitment events to include freshmen. These events may happen between the conclusion of informal recruitment (Thursday September 20, 2007) and January term. This timeframe excludes the weeks of final exams.

2. In the Panhellenic spirit, the first two (2) weeks of the fall semester (September 3 through September 17, 2007) and orientation will be a no contact period. This means sorority women may not contact freshmen in their residence halls, via mail or internet.

I have read the above statements and agree to be the responsible person in charge of this event. I will be present throughout the entire event.
